Cleveland Saints Internship Opportunities

Who are the Saints??

The Cleveland Saints are a semi-pro football team consisting of young men from the area who love the game and make a commitment to support the amateur football efforts in the area. With one of the most experienced football coaching staffs in Ohio, the Saints are committed to excellence and competitive football. Our players are unpaid and occasionally scouted by college and professional teams. The team works in liaison with the Cleveland Police Athletic (PAL) League's Pee Wee Football and the Cleveland Municipal Football Leagues, helping to provide the youth with healthy, structured activities that will prepare future players of the game.

What we need:

The Saints are looking for interns in the sport management field willing to gain experience in a variety of off-season and game day operations. Reliability is essential. Schedule is flexible, especially during off-season months. Attendance at 5 Saturday night home games (with the possibility of additional home playoff games) and team fundraisers is encouraged.

Off-season activities (January – May) will include but are not limited to: identifying and reaching out to potential sponsors and advertising opportunities, assisting in the planning and organizing of team fundraisers and charitable events, and selling ticket plans for the upcoming 2010 season.

Responsibilities during the season (June - August) can include: assisting with in-game entertainment, work in the press box writing game articles, keeping stats, or filming games, and overseeing ticket and merchandise operations.

Become part of our team:

Applications can be submitted for off-season opportunities, work during the 2010 regular season or for both. Interns will receive priority consideration when filling open positions in the future. To apply, send your resume to apply@clevelandsaintsfootball.com including your name, address, telephone number and email address where we can reach you. Please also include a short paragraph telling why you would like to intern with the Cleveland Saints and what area of work best fits your interests and abilities.

We invite you to become an integral part of our winning tradition while helping to establish the Cleveland Saints as one of the premier semi-pro teams in the country. Questions can be directed to Jonathan Allen at 216-326-1699.
